4. PROCESSING OF CUSTOMER PERSONAL DATA

- 4.1 The Parties acknowledge and agree that the details of Upstash's Processing of Customer Personal Data (including the respective roles of the Parties relating to such Processing) are as described in Annex 1 (Data Processing Details) to the DPA. With respect to such Processing, both Customer and Upstash shall comply with Applicable Data Protection Laws.
- 4.2 Upstash shall not Process Customer Personal Data other than: (a) on Customer's written instructions and as permitted under the Agreement; or (b) as required by applicable laws provided that, in such circumstances, Upstash shall inform Customer in writing in advance of the relevant legal requirement requiring such Processing if and to the extent Upstash is: (i) required to do so by Applicable Data Protection Laws; and (ii) permitted to do so in the circumstances. Customer instructs and authorizes Upstash to Process Customer Personal Data for the purposes set out in the Agreement (as further described in Annex 1 (Data Processing Details) to the DPA). The Agreement is a complete expression of such instructions, and Customer's additional instructions will be binding on Upstash only pursuant to any written amendment to this DPA signed by both Parties. Where required by Applicable Data Protection Laws, if Upstash receives an instruction from Customer that, in its reasonable opinion, infringes Applicable Data Protection Laws, Upstash shall notify Customer.
- 4.3 The Parties acknowledge that Upstash's Processing of Customer Personal Data authorized by Customer's instructions stated in this DPA is integral to the Services and the business relationship between the Parties. Access to Personal Data does not form part of the consideration exchanged between the Parties in respect of the Agreement or any other business dealings.

5. UPSTASH PERSONNEL

Upstash shall take commercially reasonable steps designed to ascertain the reliability of any Upstash Personnel who Process Customer Personal Data, and shall enter into written confidentiality agreements with all Upstash Personnel who Process Customer Personal Data that are not subject to professional or statutory obligations of confidentiality.

6. SECURITY

6.1 Upstash shall implement and maintain technical and organisational measures in relation to Customer Personal Data designed to protect Customer Personal Data against Personal Data Breaches as described at <https://upstash.com/static/trust/security-measures.pdf> (the “**Security Measures**”).

6.2 Upstash may update the Security Measures from time to time, provided the updated measures do not decrease the overall protection of Customer Personal Data.

7. DATA SUBJECT RIGHTS

7.1 Upstash, taking into account the nature of the Processing of Customer Personal Data, shall provide Customer with such assistance as may be reasonably necessary and technically feasible to assist Customer in fulfilling its obligations to respond to Data Subject Requests. If Upstash receives a Data Subject Request, Customer will be responsible for responding to any such request provided that Upstash promptly notifies Customer in writing of such request.

7.2 Upstash shall: (a) promptly notify Customer if it receives a Data Subject Request; and (b) not respond to any Data Subject Request, other than to advise the Data Subject to submit the request to Customer, except as required by Applicable Data Protection Laws.

8. PERSONAL DATA BREACH

8.1 Upstash shall notify Customer without undue delay upon Upstash's confirmation of a Personal Data Breach affecting Customer Personal Data. Upstash shall provide Customer with information (insofar as such information is within Upstash's possession and knowledge and does not otherwise compromise the security of any Personal Data Processed by Upstash) to allow Customer to meet its obligations under the Applicable Data Protection Laws to report the Personal Data Breach. Upstash's notification of or response to a Personal Data Breach shall not be construed as Upstash's acknowledgement of any fault or liability with respect to the Personal Data Breach.

8.2 Customer is solely responsible for complying with applicable laws (including notification laws) and fulfilling any third-party notification obligations related to any Personal Data Breaches.

8.3 If Customer determines that a Personal Data Breach must be notified to any Supervisory Authority, any other governmental authority, any Data Subject(s), the public or others under Applicable Data Protection Laws or otherwise, to the extent such notice directly or indirectly refers to or identifies Upstash, where permitted by applicable laws, Customer agrees to: (a) notify Upstash in advance; and (b) in good faith, consult with Upstash and consider any clarifications or corrections Upstash may reasonably recommend or request to any such notification, which: (i) relate to Upstash's involvement in or relevance to such Personal Data Breach; and (ii) are consistent with applicable laws.

9. SUB-PROCESSING

9.1 Customer generally authorises Upstash to appoint Sub-Processors in accordance with this Section 8. Information about Upstash's Sub-Processors, including their functions and locations is as shown in the Sub-Processor list displayed from time to time at <https://upstash.com/static/trust/subprocessors.pdf> or any successor page (the “**Sub-Processor List**”). Without limitation, Customer authorises Upstash engagement of the Sub-Processors listed on the Sub-Processor List as of the Effective Date.

9.2 Upstash shall give Customer prior written notice of the appointment of any proposed Sub-Processor, including reasonable details of the Processing to be undertaken by the Sub-Processor by providing Customer with an updated copy of the Sub-Processor List by sending a 'mailshot' or similar to Customer's contact point set out in Annex 1 (Data Processing Details). If, within five (5) days of receipt of that notice, Customer notifies Upstash in writing of any objections to the proposed appointment (which must be made in good faith, based upon appropriately evidenced concerns that the use of that proposed Sub-Processor would cause Customer to be in material breach of Applicable Data Protection

Laws causing unavoidable and material harm to Customer): (a) Upstash shall respond to that objection within thirty (30) days of receipt to confirm it has accepted such objection as having been made in accordance with the standard required by foregoing, in which case, it will use reasonable efforts to make available a commercially reasonable change in the provision of the Services, which avoids the use of that proposed Sub-Processor (which may include provision of a workaround, or an instruction to Customer to re-configure its settings within the Services); and (b) where Upstash has accepted such objection and: (i) such a change cannot be made within ninety (90) days from Upstash's receipt of Customer's notice; (ii) no commercially reasonable change is available (as determined by Upstash in its sole discretion); and/or (iii) Customer acting in good faith declines to bear the cost of the proposed change, then Customer may terminate the Agreement by written notice to Upstash as its sole and exclusive remedy.

- 9.3 If Customer does not object to Upstash's appointment of a Sub-Processor during the objection period referred to in Section 8.2, Customer shall be deemed to have approved the engagement and ongoing use of that Sub-Processor.
- 9.4 With respect to each Sub-Processor, Upstash shall maintain a written contract between Upstash and the Sub-Processor that includes terms which offer at least an equivalent level of protection for Customer Personal Data as those set out in this DPA (including the Security Measures). Upstash shall be liable for the acts and omissions of its Sub-Processors to the same extent Upstash would be liable if performing the services of each Sub-Processor directly under the terms of this DPA.

10. AUDITS

- 10.1 Upstash shall make available to Customer on request such information as Upstash (acting reasonably) considers appropriate in the circumstances to demonstrate its compliance with this DPA.
- 10.2 Subject to Sections 9.3 to 9.6, in the event that Customer (acting reasonably) is able to provide documentary evidence that the information made available by Upstash pursuant to Section 9.1 is not sufficient in the circumstances to demonstrate Upstash's compliance with this DPA, Upstash shall allow for and contribute to audits, including on-premise inspections, by Customer or an auditor mandated by Customer in relation to the Processing of Customer Personal Data by Upstash.
- 10.3 Customer shall give Upstash reasonable notice of any audit or inspection to be conducted under Section 9.2 (which shall in no event be less than fourteen (14) days' notice) and shall use appropriate efforts (and require that each of its mandated auditors uses appropriate efforts) to avoid causing any destruction, damage, injury or disruption to Upstash's premises, equipment, Personnel, data, and business (including any interference with the confidentiality or security of the data of Upstash's other customers or the availability of Upstash's services to such other customers).
- 10.4 Prior to conducting any audit, Customer must submit a detailed proposed audit plan providing for the confidential treatment of all information exchanged in connection with the audit and any reports regarding the results or findings thereof. The proposed audit plan must describe the proposed scope, duration, and start date of the audit. Upstash will review the proposed audit plan and provide Customer with any feedback, concerns or questions (for example, any request for information that could compromise Upstash security, privacy, employment or other relevant policies). Upstash will work cooperatively with Customer to agree on a final audit plan.
- 10.5 If the controls or measures to be assessed in the requested audit are assessed in a SOC 2 Type 2, ISO, NIST or similar audit report performed by a qualified third-party auditor within the twelve (12) months prior to Customer's audit request ("**Audit Report**") and Upstash has confirmed in writing that there have been no known material changes in the controls audited and covered by such Audit Report(s), Customer agrees to accept provision of such Audit Report(s) in lieu of requesting an audit of such controls or measures. Upstash shall provide copies of any such Audit Reports to Customer upon request; provided that they shall constitute the Confidential Information (as defined in the Agreement) of Upstash, which Customer shall use only for the purposes of confirming compliance with the requirements of this DPA or meeting Customer's obligations under Applicable Data Protection Laws.
- 10.6 Upstash need not give access to its premises for the purposes of such an audit or inspection: (a) where an Audit Report is accepted in lieu of such controls or measures in accordance with Section 9.5; (b) to any individual unless they produce reasonable evidence of their identity; (c) to any auditor whom Upstash has not approved in advance (acting reasonably); (d) to any individual who has not entered into a non-disclosure agreement with Upstash on terms reasonably acceptable to Upstash; (e) outside normal business hours at those premises; or (f) on more than one occasion in any calendar year during the term of the Agreement, except for any audits or inspections which Customer is required to carry out

under the GDPR or by a Supervisory Authority. Nothing in this DPA shall require Upstash to furnish more information about its Sub-Processors in connection with such audits than such Sub-Processors make generally available to their customers. Nothing in this Section 9 shall be construed to obligate Upstash to breach any duty of confidentiality.

11. RETURN AND DELETION

- 11.1 Upon expiration or earlier termination of the Agreement, Upstash shall return and/or delete all Customer Personal Data in Upstash's care, custody or control in accordance with Customer's instructions as to the post-termination return and deletion of Customer Personal Data expressed in the Agreement. To the extent that deletion of any Customer Personal Data contained in any back-ups maintained by or on behalf of Upstash is not technically feasible within the timeframe set out in Customer's instructions, Upstash shall (a) securely delete such Customer Personal Data in accordance with any relevant scheduled back-up deletion routines (e.g., those contained within Upstash's relevant business continuity and disaster recovery procedures); and (b) pending such deletion, put such Customer Personal Data beyond use.
- 11.2 Notwithstanding the foregoing, Upstash may retain Customer Personal Data to the extent required by applicable laws, provided that Upstash shall (a) maintain the confidentiality of all such Customer Personal Data and (b) Process the Customer Personal Data only as necessary for the purpose(s) and duration specified in the applicable law requiring such retention. Without limitation to the deletion and return obligations relating to Customer Personal Data set out in Section 10.1, Upstash may continue to freely use and otherwise process any information derived from Customer Personal Data that has been deidentified, anonymized, and/or aggregated in such a manner that the resultant data no longer constitutes Personal Data (i.e., it no longer relates to any identified or identifiable individual, nor to Customer), including to improve the Upstash Platform, if and as permitted under the Agreement.

12. CUSTOMER'S RESPONSIBILITIES

- 12.1 Customer agrees that, without limiting Upstash's obligations under Section 5 (Security), Customer is solely responsible for its use of the Services, including (a) making appropriate use of the Services to maintain a level of security appropriate to the risk in respect of the Customer Personal Data; (b) securing the account authentication credentials, systems and devices Customer uses to access the Services; (c) securing Customer's systems and devices that Upstash uses to provide the Services; and (d) backing up Customer Personal Data.
- 12.2 Customer shall ensure: (a) that there is, and will be throughout the term of the Agreement, a valid legal basis for the Processing by Upstash of Customer Personal Data in accordance with this DPA and the Agreement (including, any and all instructions issued by Customer from time to time in respect of such Processing) for the purposes of all Applicable Data Protection Laws (including Article 6, Article 9(2) and/or Article 10 of the GDPR (where applicable)); and (b) that all Data Subjects have (i) been presented with all required notices and statements (including as required by Article 12-14 of the GDPR (where applicable)); and (ii) provided all required consents, in each case (i) and (ii) relating to the Processing by Upstash of Customer Personal Data.
- 12.3 Customer agrees that the Services, the Security Measures, and Upstash's commitments under this DPA are adequate to meet Customer's needs, including with respect to any security obligations of Customer under Applicable Data Protection Laws, and provide a level of security appropriate to the risk in respect of the Customer Personal Data.
- 12.4 Customer shall not provide or otherwise make available to Upstash any Customer Personal Data that contains any (a) Social Security numbers or other government-issued identification numbers; (b) protected health information subject to the Health Insurance Portability and Accountability Act (HIPAA) or other information regarding an individual's medical history, mental or physical condition, or medical treatment or diagnosis by a health care professional; (c) health insurance information; (d) passwords to any online accounts; (e) credentials to any financial accounts; (f) tax return data; (g) any payment card information subject to the Payment Card Industry Data Security Standard; (h) Personal Data of children under 16 years of age; or (i) any other information that falls within any special categories of personal data (as set out in Article 9(1) of the GDPR); 'sensitive personal information' or 'sensitive personal data' as defined in the CCPA and the other State Privacy Laws, respectively; and/or data relating to criminal convictions and offences or related security measures (together, "**Restricted Data**").

13. LIABILITY

- 13.1 The total aggregate liability of either Party towards the other Party, howsoever arising, under or in connection with this DPA and the SCCs (if and as they apply) will under no circumstances exceed any limitations or caps on, and shall be subject to any exclusions of, liability and loss agreed by the Parties in the Agreement; provided that, nothing in this Section 12 will affect any person's liability to Data Subjects under relevant third party beneficiary provisions of the SCCs (if and as they apply).

14. MISCELLANEOUS

- 14.1 Except to the extent prohibited by Applicable Data Protection Laws, Customer shall compensate Upstash at Upstash's then-current professional services rates for, and reimburse any actual costs reasonably incurred by Upstash in the course of providing, cooperation, information, or assistance requested by Customer pursuant to Section 6 (Data Subject Rights) and/or Section 9 (Audits) of this DPA (provided that Upstash shall bear its own costs in the event that any audit or inspection conducted in accordance with that Section 9 reveals any material non-compliance by Upstash with this DPA and/or Applicable Data Protection Laws), and Paragraph 1 of Annex 2 (European Annex)), in each case, beyond providing self-service features included as part of the Services.
- 14.2 Upstash may on notice vary this DPA to the extent that (acting reasonably) it considers necessary to address the requirements of Applicable Data Protection Laws from time to time, including to apply a new transfer mechanism to comply with relevant requirements of the GDPR, such as by varying or replacing the SCCs in the manner described in Paragraph 2.5 of Annex 2 (European Annex) and/or to reflect any relevant changes in the Services and its Processing of Customer Personal Data as part thereof.
